- » Functional English in Aviation context.
- » Spelling.
- » Role play.
- » Communicative activities.
- » Simulations.
- » Reading comprehension.
- » Listening comprehension.
- » Language games.
- » Writing.

Classes will run from 9.00 – 14.00 every day.  
Everyday means Mon to Fri inclusive; Weekends are free of lessons.

Classes will be 4 hours per day in the classroom with occasional 15 minutes breaks. Students will be required to complete homework/worksheets/projects set which cover another 2 hours per day 5 days a week. They will also have the opportunity to sit in on ground school classes later in the course.

Each day, after class, there will be a combination of the following:

- » On-line Grammar and Spelling Exercises.
- » Homework.
- » Advanced Science Foundation Classes or Sample ATPL subject Lessons i.e. Navigation, General Aircraft
- » Knowledge, etc.
- » Group Exercises.

Please note the level of these lessons is below the required ATPL standard and participation on the Intensive English Course does not mean acceptance for the ATPL course or guarantee passing the Pilot Aptitude Test.
